Noquebay Resort is excited to host this Polar Plunge fundraiser for the Town of Lake Fire Department and Crivitz Rescue Squad! The entry fee (which includes a T-shirt and food at Backwater Bar & Grill), is a *minimum* entry fee of $40/adult or $25/youth (12 & under). But, because the goal is to raise money, (while having fun!), we encourage participants to raise more than the minimum. What better way to do that than getting your plunge sponsored?! As a bonus, we will be giving a prize to the highest sponsored participant!

Asking for donations is never easy, but here are some quick tips:

Social Media: Share the event info on Facebook or Instagram!
Include a link to your personal Venmo/PayPal to encourage quick and easy payment.

Team Spirit! Form a team, choose a theme and dress up!
Prize awarded for best costume, too!

Matching Funds: Ask employer to match your entry fee.

Sample Donation Request:
On March 15th, I have committed to grin and bear it for the Town of Lake Fire Department and Crivitz Rescue Squad by taking a chilly dip into the freezing water of Lake Noquebay. You're probably getting goosebumps just thinking about it! The cold that I will feel is temporary but it will have a lasting impact on our community.

I have set a personal fundraising goal of $___, and I need your help to reach it! I'm not asking you to take the plunge alongside me, but instead, I am asking you to make a donation to for the Town of Lake Fire Department and Crivitz Rescue Squad on behalf of me taking the plunge. Any amount would be appreciated – it all goes towards these wonderful organizations.

In order to support my plunge, please visit my Venmo or PayPal *(add your personal payment links or other contact information.)* To learn more about this wacky winter event, visit NoquebayResort.com/events for all of the chilly details. Think warm thoughts for me as March 15th approaches. I will do my best to bear the cold and make my sponsors proud!

NOTE: Participant is responsible for collecting sponsorship funds and paying total at registration. Participants may not get credit for sponsorship funds paid through Noquebay Resort's Venmo or PayPal. Here is a chart to help you keep track of your sponsors.
